

OCTOBER 2020

Voters respond when someone reaches out!

This postcard writing action targets voters, especially people of color, in specific districts across the country who may not realize they have been dropped from voter rolls. 25 cards take barely 2 hours! You even get the stamp. Email: votingjustice@firstuu.org

The Goal is 15 Million letters sent by Oct 17th!

The goal is same as postcards – a personal touch to get unlikely-to-vote people to the polls. Vote Forward provides a template and names. Just print, complete, fold, sign, and mail. You donate an envelope and a stamp! Sign up: <https://votefwd.org> Instructions are returned within 24 hours.
