

Application to be a Member of the Search Team for Music Director

The First Unitarian Universalist Church of Houston (FUUCH) is hiring a new half-time Music Director with an anticipated start date of January 1, 2022. The Dr. Bossen is assembling a Search Team to aid in the process. Joan Waddill will be serving on it as a Board representative. We are seeking three other members or friends of the congregation to complete the team. We are currently asking those interested in serving on the Search Team to let the staff know by completing and returning this application to the office or emailing it to office@firstuu.org. The deadline for applications is October 10, 2021. This a time commitment of approximately 15 hours.
