

## Fall 2024 Campaign

UU's know democracy isn't just what you do on election day. It's who we are and who we want to be together. Throughout history, UUs have shown up embodying the promise of democracy – justice, freedom, and care with a moral mandate to build a world where all of us thrive.

First UU Houston invites you to join our mission to mobilize voters for this historic election. Know the issues, become a voting information resource, and take action. Our UUtheVote team has set 2024 goals for 100% of our members to VOTE and to energize others to do the same.

Here are ways you can join us and our community partners:

### OUR CALL CAMPAIGN

We will ensure our members and friends know how, where and when to vote. We will make sure you have a ride to the polls or show you how to track your mail-in ballot. Take the pledge!
